

JOB TITLE: 3 Driver with airbrake License (Placement Technician)

LOCATION: Calgary, AB

PAY RANGE: \$24 – \$30 per hour

APPLICATION SUBMISSION DEADLINE: Open until filled

BigSteelBox - Canada's most diversified shipping container company, is looking for a **Class 3 Driver** (Placement Technician) at our **Calgary, AB**, store.

This is a permanent, full-time position starting as soon as possible, offering a competitive base salary and an annual incentive scheme. Salary is dependent on experience. Benefits and a matching RRSP program will be provided after 3 months. Store hours are Monday to Friday, 8:00 am – 5:00 pm, and overtime is required as needed.

Working as a Placement Technician for BigSteelBox is not your average trucker's gig. Our drivers are vital to our business, and having a great experience with them can be the difference between a positive and negative experience. Often, they will be the only representative from BigSteelBox to meet our customers face-to-face. As such, they must have great people skills and be safe and professional drivers.

"We have fun" is one of our core values. While we take our business and our responsibilities seriously, we also know life is better when you enjoy your day! You can expect comradery with your co-workers and lots of laughs. Don't you want to come home with a smile on your face at the end of the day? Okay, you probably get the idea that BigSteelBox is an awesome place to work, so we'll stop with the pitch.

The ideal candidate works under the supervision of the Store Manager and will serve both residential and commercial customers. Safety is the most important metric for us, so you'll need to have a safety mindset in addition to your other skills.

We are proud to have been certified as a [Great Place to Work®](#)! This certification is awarded after a thorough, independent analysis conducted by Great Place to Work Institute® Canada. It's based on direct feedback from employees, provided as part of an extensive and anonymous survey about their workplace experience. In addition to this external survey, the results of our most recent employee engagement survey show that 90% of employees would recommend working here to a friend.
